

Large Men. Stout Men.

Men who think they are hard to fit because they are out of the ordinary--can dress as neatly and becomingly as the most perfect tailor's model.

Inexpensively? Yes, extremely so. It's not the price that makes the fit; it depends entirely on the design and tailoring. Schloss Bros. & Co., of Baltimore and New York, are known the world over as Specialty makers of fine Ready-to-Wear Garments. They have made a study of draping large, stout men and men out of the ordinary proportions.

What we mean by "draping" is not merely "dressing," or "clothing." We mean fitting them perfectly in garments particularly designed to moderate where nature has been profuse and to fit out where nature has been deficient.

In other words, this Schloss clothing not only clothes the figure, but "drapes" it as well--makes the style of the moment seem to have been especially designed for the wearer.

A trial is all that's necessary to convince you. Come to see us. Try one of these Schloss specialties and you will be surprised to see how well-proportioned and handsomely dressed you can look by simply wearing clothes especially designed by these skillful tailors to fit men of just your build and physique.

Prices are not high! To the contrary, very reasonable, because these celebrated clothes makers cut and tailor these goods in large quantities by the wholesale, and they cost you no more than similar clothes of ordinary size.

We are certain that if you come in and try on one of these suits you will become a permanent patron, and thank us for the suggestion.

Yours truly,

ON COLLEGE HILL.

Getting Ready for The Fall
Term of South Kentucky
College.

Owing to the crowded condition of our columns we are able to give only a brief outline of the preparations being made for opening the fall term in the new main building. Profs. Kuykendall, Smith and Hardy are working like Trojans themselves and have everyone under their control on the rapid move.

Three crews of men are now and have been for some time at work on the main building, which is about half completed.

The girls' boarding house, to contain 25 or 30 rooms, about 40 feet South of the main building, but connected by a roof, will be pushed to a rapid completion. The contract for building was let last Thursday, the main work to the Forbes 'Mfg. Co. Stone work and foundation to L. H. Davis; brick work to Dalton Bros. Cost about \$10,000.

Already \$32,000 have been raised for erecting the main building, but the trustees need more funds yet and those disposed to aid in the great cause should not hold back but respond at once. The above amount is to be used for paying the old debt, making repairs, and what may be left to be applied for the new building. We have seen the drawings of this building and the front elevation is certainly a beauty. A description could be given, but it would not give any idea of the convenience and general adaptation of the different departments. Both buildings will be lighted by electricity, heated by steam and supplied throughout with hot and cold water. Every modern convenience will be adopted and the new College building will be a great improvement over the old. The girls' boarding department is a big thing of itself.

LIFE SENTENCE FOR CHEANEY.

Entered Plea of Guilty of
Murder of Maude Ellis
Last December.

DUFFY GOT 21 YEARS.

Indictment in the Pembroke
Murder Case Was
Dismissed.

The case of the commonwealth against John Cheaney, charged with the murder of Maud Ellis last December, was called yesterday and the jury was made up before noon. When court reconvened after dinner the defendant withdrew his plea of not guilty and entered a plea of guilty to the charge. The jury retired to their room, and in a very few minutes, returned a verdict of guilty and fixed his punishment at life imprisonment.

The indictment against Ed Moseley, col., charging him with complicity in the murder of an unknown white man near Pembroke on the night of November 14, 1903, was called and dismissed Thursday. Moseley is the only one of the nine negroes indicted for the crime who escaped conviction. He proved a good witness for the commonwealth in several of the cases, but denied having had any connection with the actual killing or any intimation that a murder was to be committed. The dismissal of the bill against Moseley closes one of the most sensational murder cases in the history of the county. Of the nine negroes arrested and charged with the murder, only one was hanged, this being old George Holland, who was executed July 7, 1905. Seven of them, Frank Meriwether, Dick Carney, Frank Sherman, Ed Holland, Bill Garrett, Frank Massie and Charles Finch, were sentenced to life imprisonment. All of them except Finch were taken to the Eddyville prison about two years ago. Carney has since died of consumption. Finch carried his case to the court of appeals, but it was affirmed and he will probably be taken to the pen next week.

The jury in the case of Gene Duffy, charged with the murder of Dave Cowherd, another negro, after deliberating two hours, returned a verdict finding the defendant guilty of manslaughter and fixing his punishment at twenty-one years in the penitentiary.

Cleveland Jones, col., was fined \$100, on a plea of guilty to the charge of shooting in sudden heat and passion. A fine of \$25 and ten days in jail was also assessed against him for carrying a concealed deadly weapon.

The case of C. W. Johnston, charged with exposing quail for sale after Jan. 1 last, was dismissed and stricken from the docket.

Ed Arbuckle was fined \$20 and

Mr. Walter F. Garnett, Agent,
New York Life Insurance Co.,

Dear Sir:--

It gives me pleasure to acknowledge receipt of statement of optional settlement on 20-Payment Life Policy, No. 223,593, for \$1,500.00, issued at age 35, with premium of \$52.50, taken out with you Apr. 29, '86. After having been insured for 20 years, I am offered a paid up policy for \$1,500 and a cash dividend of \$406.88, or the total value may be withdrawn in cash--\$1,215.85, (which is more than I have paid in in the 20 years) or a fully paid up policy payable at my death for \$2,219.00.

The cash settlement of \$1,215.85 is equal to Term Insurance at \$12.87 per \$1,000 and an investment of the balance of premiums with 5 1/2 per cent. compound interest for twenty years. This showing is certainly a creditable one for the New York Life, and I will be pleased to give you my application for \$1,000 on the Ordinary Life plan.

Yours very truly, C. E. WEST.
